BOLIVAR CIRCUIT COURT.
JANUARY SPECIAL TERM, 1844.

Almira Beal,
vs J. Beal for divorce,
George Beal.

UPON opening the matters of this Bill and it appearing to the satisfaction of the Court that the defendant George Beal is not an inhabitant of this State, but resides beyond the limits thereof so that the ordinary process of law cannot be served upon him. It is therefore ordered by the Court, that unless the said defendant appear before the judge of the Circuit Court of the county of Bolivar, at the Court house in Bolivar, on or before the first Monday of April next, and plead, answer or demur to this bill, the several allegations thereof will be taken for confessed, and such order or decree made thereon as may be deemed equitable by the Court.

It is further ordered that a copy of this order be published in the Yazoo City Whig once a week for two months successively.

\$20 REWARD

ANAWAY on the 20th ult. my negro man named HENRY, about 22 years old, a dark mulatto, tall and walks erect, bushy head of hair but he often combs it out smooth and straight; he is a good cook, man and waiter, and is well known in Vicksburg, Yazoo City and Benton. It is probable he will endeavor to get to Yazoo City, unless, as I have reason to think, he is carried off by a man who calls himself William, who has been making propositions to Henry and several other negroes in the neighborhood. He was formerly the property of J. R. Creecy in Yazoo. The above reward and all reasonable expenses will be paid for his delivery to the jailor at Vicksburg.

THE UNIVERSAL FAVORITE.

BLACKWOOD'S

EDINBURGH MAGAZINE.

Two Dollars a Year in Advance.

IN January last was commenced the republication, in the New World form, of this most celebrated and world-renowned Magazine, at a price which will insure it a very large circulation.

"Blackwood" has long stood at the head of the periodical literature of the world, and it continues to maintain that distinction, without a rival. Professor Wilson, its editor, (old Christopher North,) is unrivalled as a prose-writer and a poet, and his contributions are among the first living authors of Great Britain.

Among the splendid articles now in course of publication is a serial novel, entitled

MARSTON:

OR, MEMOIRS OF A STATESMAN.

A romance which promises to be of the greatest utility, and of powerful interest, which it is expected will fully equal the celebrated story of TEN THOUSAND A YEAR. The time of this story is during the existing period of the breaking out of the French Revolution—an epoch of the world which was distinguished by great men and important events.

All the articles in this Magazine are pre-eminent for ability and powerful interest, and cannot fail to delight and instruct the reader far beyond the narrow stories by which most of the English and American periodicals are overloaded.

BLACKWOOD'S MAGAZINE contains more of the quantity of reading matter of any American Magazine, while the price is scarcely one-half. It is issued in a double number of the English edition, and is sent by the first mail to subscribers in all parts of the United States and British America.

TERMS.—TWO DOLLARS per annum, payable in advance. THREE copies of this paper sent for \$5.—FIVE copies for \$8.—and TEN copies for \$15.—thus rendering it the cheapest Magazine in the world, as it is universally acknowledged to be the best.

AT a few copies from the commencement of the present volume can still be supplied. SUBSCRIBE EARLY! Address, post-paid or free,

TO THE AFFLICTED.

THE unparalleled success that has attended Dr. HOLMES' new mode of treating the following diseases, to-wit:—Neuralgia in all its various forms, Dysmenorrhea, (or painful menstruation,) Flar Albus, (or whites,) Ulceration, Protrusion Uteri, (or falling of the womb,) at his Infirmary, eight miles, southeast of Raymond, has exceeded the most sanguine expectations of his friends, and has induced those who were at first skeptical, to declare to the truth and efficacy of his method of treatment.

DR. HOLMES would remark, for the information of the public, that only 3 out of 20 cases, that he has had under treatment, have been discharged, not cured, though greatly relieved—the balance have been restored to perfect health.

Dr. H. has the privilege of referring to gentlemen of the highest respectability in various parts of this State and Louisiana, to corroborate the above statement.

Dr. H. would be pleased to receive letters directed to him at Spring Ridge, Hinds county, Mississippi, asking reference.

The Mammoth Notion

REVIVED!

The Largest Folio Newspaper

FOR ONLY \$2 00 PER YEAR!!

The great revolution that is now going on in the publishing of books, by the prompt and extraordinarily cheap issues of all new and valuable or entertaining works, seems to do away in a very great measure, with the necessity or policy of publishing a newspaper in the Quarto or Octavo form. The subscriber has therefore concluded to discontinue the quarto edition of the BOSSON NOTION, and hereafter that paper will be issued in the

Mammoth Folio Form.

A variety of new features will be introduced into the NOTION, which we feel confident will make it highly attractive to every class of readers.

A FARMER'S DEPARTMENT will be added, under which head we shall endeavor to give a valuable and sensible collection of the best articles that appear in the leading Agricultural papers of this country and of England, the leading Agricultural papers of England being received at the office of the Notion by every steamer.

SERMONS BY A LOAFER.—Under this head we shall give, each week, a humorous and satirical discourse upon the current topics of the day, fashionable humbugs and charlatans, and popular fallacies of every description.

THE LITERARY DEPARTMENT will fully maintain its present high reputation. The best and earliest selections of Price Reviews, and Literary Notices, will be given from the English and American Magazines, viz:—"Blackwood's," "Tait's," "Fraser's," "Dublin University," "Bentley's," "Ainsworth's," "The New Monthly," and "The Metropolitan." "Southern Literary Messenger," "Knickerbocker," "Democratic Review," "Ladies' Book," "Graham's Magazine," "Sargent's Magazine," &c. &c.

A PRICES CURRENT AND THE MARKETS will be two new features that will also be introduced into the NOTION. Particular care will be taken to procure the earliest advices in reference to the prices of all kinds of Grain, Provisions, Produce, &c., the state of Stocks, Banks, Money, &c., which will render our PRICES CURRENT of great value to the Farmer, Mechanic, and all Business classes.

Sunday Morning Edition.

Hereafter we shall issue an edition of the NOTION every Saturday night at 12 o'clock, which will contain all the news of Saturday, notices of Concerts, Lectures, &c., which occur on Saturday evening, and all local intelligence which we can gather up to the hour of 12 o'clock, Saturday.

NEW TERMS.

REDUCTION OF PRICES.—Hereafter we will send the Boston Notion, in clubs of five copies, for \$10 00 per year, or \$2 00 for six months, cash in advance. Two copies, \$5 00 per year, or \$2 50 for six months, in advance. One copy, \$2 50 per year, or \$1 25 for six months in advance—or 3 dollars per year, payable at the expiration of the year.

DR. CPAMPION'S

VEGETABLE AGUE MEDICINE.

A safe and certain cure for Chills and Fever in all its complicated forms, also an efficient remedy for Fever of every description.

THIS Medicine has been used by the proprietor during which time he has treated some thousands of cases of Fever, and from the success in this mode of practice, he is confident it must and will be the prevailing practice in Fevers.

It never fails to cure the chills and fever the first day. Bilious, Typhus, Nervous, Congestive, and Winter Fevers all yield to the use of this medicine, and are cured in a shorter time, and with much more certainty than by any other system of practice that has ever been recommended.

Certificates.

Gallatin Co., Illinois, April 18, 1843.

Dr. CAMPION.—Dear Sir:—Within the last 12 months I have been using your Anti-Bilious and Ague Pills, in my practice to a considerable extent, and have found them to be productive of superior effects in the cure of Fever and many other cases. It is difficult to get them here, their character standing so high in all the south part of this State that they are all bought up, and consequently it is very hard to get a sufficient quantity of them. You will confer a great favor on the inhabitants of this county by forwarding a good supply of your medicine to this place.

A. A. WOLFE, M. D.
CERTIFICATE FROM Dr. WM. McELEN.

Taladega Co., Ala., May 21, 1842.

This is to certify that during the past season I have made use of Dr. Campion's Ague Medicine in my practice, and out of twenty two boxes (all I had) I never failed of effecting a permanent removal of the disease, and in no single case did a patient take more than half a box. I can, with strict veracity, and with great pleasure say that I believe it to be the best, safest, and most effectual remedy for Ague, Chills and Fever, &c., that has ever been discovered.

WM. McELEN.

CERTIFICATE FROM JAS. TURNER.

This is to certify that I have used Dr. Campion's Vegetable Ague Medicine in my family for the last twelve months with the most happy effect. I have used them in chills and fever and have witnessed the good effects of the medicine in a great number of cases, and I do think Dr. Campion's Pills, by far the best medicine I have ever known used in Fevers.
